CRISL has upgraded the Claim Paying Ability (CPA) rating of Central Insurance Company Limited (CICL) to 'AA-' (Very High claims paying ability) based on the financials up to December 31, 2018 and other relevant qualitative and quantitative information up-to the date of rating. The rating has been upgraded on the basis of CICL's profitable underwriting performance, good capital base, good FDR base, experienced and professional management team etc. CICL sources significant business from renowned group of companies and banks. The company continues to deliver improved and innovative product and services taking due care of the compliance requirements. Based on the financial statement of 2018, its underwriting profit stood at Tk.41.27 million. Profit after Tax (PAT) moved upward to Tk.105.16 million in YE2018 from Tk.83.04 million in YE2017. Pre-tax operating margin increased to 50.42% in YE2018 from 42.54% in YE2017. CRISL views CICL's investment strategy is well diversified having around 86.35% of its funds remaining in cash and deployed in fixed deposits as well as in fixed income instruments and rest 13.65% in capital market investment.

On the other hand, CICL faces challenges from high expense ratio, unrealized loss on capital market exposure, small market share, decline in market capitalization etc. However, reduction of management expense will enhance its overall performance. CRISL expects the company to continue to adopt a prudent underwriting approach, improve business and investment portfolio.

CPA rated in this category is adjudged to offer very high claims paying ability. Protection factors are strong. Risk is modest but may vary slightly over time due to underwriting and/or economic condition.

CRISL also views the company with "Stable Outlook" from the industry viewpoint for overall industry growth and policy and regulations implicated by regulatory authority. CRISL believes that the company will be able to maintain its fundamentals in foreseeable future.
